

## Sunset Wine Tasting Fundraiser

@ Silver Lake Park!!

**Friday September 7th, 2018**

**6:30-8:30 PM**

**Proceeds to help fund off-shore lake treatment of invasive plants in 2019.**

*Sponsored by the  
Silver Lake Improvement Assoc. and Furlong Liquor.*

In past years, the MN DNR has issued grant money to MN lakes for the treatment of invasive plants. Silver Lake has typically received enough funds from the DNR to help cover this treatment expense. Since 2016 the amount of DNR grant funds for lake treatment was cut and Silver Lake has NOT receive any monies these past 2 years. We were able to pay for those treatments with the funds in the SLIA account however these funds are depleted.

**Please bring a lawn chair and join us on the SE corner of Silver Lake Park to taste some delicious wines brought to us by Furlong Liquor. All proceeds will go to fund lake treatment in 2019.**

**Cost: \$25/for 2, \$15/individual**
