		"Temporary No-Wake" sign at the public landing when water levels reach the proposed high water mark.
c.	Courtesy Tips/Rieser	<p>It was agreed that most individuals on the lake practice mindful boating etiquette. However, there are some general courtesy's that may not be known by individuals and the SLIA will post some of these tips on the web site. These may include:</p> <ul style="list-style-type: none">• When skiing, boats shall go counterclockwise around the lakes perimeter.• Tubing should remain in the center of the lake when skiers/fishing boats are present.• When parking a boat, allow for appropriate passage by others.• Remember you are responsible for your own wake and the damage done by it. Avoid rocking another vessel when possible.
7.	Next Meeting	Dec 2, 2013
